# IT'S IN OUR *NATURE*

Home Refinements by Lavello emerged from our passion to extend our mastery in crafting professional kitchens to residential spaces. The result? A seamless blend of style and practicality, epitomizing the hallmark quality of a professional brand. Refine your home with us.

Certain materials embody the ideal blend of qualities, and stainless steel stands as a prime example. Boasting durability and corrosion resistance, alongside being fully recyclable, it checks all the boxes. Shielding against food contamination, effortless to maintain, and aesthetically pleasing, stainless steel reigns as the epitome of kitchen materials perfection.

# *UNMATCHED* STAINLESS STEEL

Crafted from sixteen-gauge stainless steel, our sinks surpass standard industry thickness, offering enhanced resistance and durability. Renowned for its antibacterial and non-corrosive attributes, this material is a cornerstone in the restaurant realm. It's precisely why we exclusively employ it in crafting our stainless steel sinks. Each piece undergoes meticulous hand-bending, welding, and polishing, ensuring a caliber of quality that meets the exacting standards of the most discerning chefs.
